Ensure environmental sustainability.

Develop a global partnership for development.

*A mural of the UN Millenium Goals (MDG) created by a group of Batanes artists who were a product of the KALAH! Cultural Caregiving by the National Commission for Culture and the Arts in order to draw attention to the battle against poverty and climate change. Voters, especially the youth, are asked to focus on these issues for the appropriate election of leaders to govern our country. Candidates should include the MGDs in their platform.*
